P Napa then informed the member and guests of Today's program especially the election of club officers which had been sent out to all members and stated the following RCRHH members had been nominated as shown below.

- President-Elect: PP Brian Anderson
- President-Elect Nominee: Torsten Voigt
- Secretary: Phil Lawrence
- Executive Secretary: Martin Harrison
- Treasurer: Peter Wydler
- Sergeant at Arms: Rick Reese

There were no objections to these nominations from the attending members.

PE Brian Anderson informed the members and guests that when asked by the previous DG after serving two terms as president would he stand again he answered yes but he did not expect this to happen as quickly as it did. Unfortunately a number of PE had been selected for the next few years but unfortunately circumstances had recently changed.

P Napa then asked Rotarian Jean Paul Capbern from the RC De Bayonne Biarritz France to come forward for a banner exchange.

P Napa then announced that certificates awarded to sponsors for their support for the 2019 10th Anniversary Golf Classic to be held at Banyan GC on the 29th November would be awarded to RCRHH members Daniel Burn and PP Rexed Birger and asked Vice President Michelle Zuber to join her in the presentation.

P Napa then stated that today we have two guest Speakers PP Richard Jones who would speak about Rotary Foundation and Vocational Training Team (VTT) by Miss Revita Saisud from Stamford International University.

P Napa informed the members and guests that the Vocational Training Team (VTT) is a District Training Team and that it is the evolution of the former group study exchange (GSE) program that offers participants the opportunity to use their skills to share best practice, help others and improve quality of life.

The VTT must be sponsored by Rotary Clubs or Districts from two countries in this case the countries are Canada and the United States of America and in certain cases, the foundation may grant permission to designate a non Rotarian as a team leader or participant as is the case with lecturer Revita Saisud who was chosen as one of 3 people from Rotary District 3330 to attend the VTT in 2020.

P Napa then introduced our first guest speaker PP Richard Jones.

Richard introduced his presentation as The Rotary foundation explained doing some good in the world.

Richard informed the meeting and guests that the CNBC has ranked The Rotary Foundation No.3 in it's annual list of Top 10 Charities Changing the World in 2016 with 1.2 million members from

200 geographic areas. The Foundation ranked No.5 on CNBC's list in 2015.

The mission of The Rotary Foundation is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty and outlined the six areas of focus for Rotary International.

Richard went onto explain that foundation fund had grown to \$1.2 billion and has two key elements:

- The Annual Programs Fund
- The Permanent Fund

And went on to explain what both these elements mean.

Richard explained that the RCRHH Since 2010 our club has achieved 100% EREY participation and that in 2020 we have 12 founder members who will become Paul Harris fellows, and in future years we will have more Paul Harris fellows once they have paid there dues for 10 years.

Richard went onto explain the global grant we had been involved in namely the Pimali project in Nong Khai Thailand which was to establish a hospitality training centre for underprivileged persons and was in conjunction with French and Swiss Rotary clubs.

The district grants involved was a joint project with the RCHH to provide a Bronchoscope for Hua Hin Hospital at a cost of THB 600,000 of which THB 430,320 was funded by the 2 Rotary clubs.

RCRHH share was THB 215,160 of which THB 130,317 came from DDF.

Richard thanked the members and guests and asked whether there were any questions.

P Napa thanked Richard and asked our second guest speaker Revita Saisud to address the meeting.

Revita introduced herself and informed the meeting she had studied at the Macquarie university in Sidney Australia where she achieved her Masters degree. Revita is a full time lecturer in the Faculty of Business and Technology at Stamford International University.

Revita stated that she was chosen as a team member of the VTT leaving for the USA and Canada in late April next year for three weeks following an interview in Bangkok on the 20th November.

During the interview she was questioned on her personality, attitude her experience and communication skills. That afternoon she was informed of her successful interview and was given the primary orientation of the VTT.

Revita stated she would like to thank Khun Benjamas and President Napa for giving her the opportunity to be put forward for this position

and advice they provided her with before the interview.

P Napa congratulated Revita and wished her luck for next year.

There being no other business lunch was called.
